

### Teaching, Internship and Assessment

Teaching is conducted through a scheme of lectures, seminars, tutorials and practical assignments. To graduate, a student will require at least 40 semester hours of approved coursework, a Grade Point (GP) of 2.0+ in every examination and the successful completion of 8 weeks of supervised internship. The internship will be graded independently as course DMC 519, and students will be required to submit a report at the end of the internship.
