## **BACHELOR OF SCIENCE IN FINANCE PROGRAMME**

---

The primary aim of BSC Finance is to train students with rigorous grounding in the theory, techniques and tools required for operating in today's financial environment. Secondly, it aims at preparing the students for middle level policy decision making in Private Corporation, financial institutions and small enterprises. It will address issues of world finance relating to financial policy strategies. With the globalization and liberalization of the financial sector in Uganda, there is need to prepare the students to fill the gap in the financial world in Uganda especially as Fund Managers, Treasurers, Specialists in area of Microfinance, Lending and Financial Analysts, and Financial Forecasters and Microfinance experts.

### **Programme Objectives**

This programme is intended to:

- i. Provide students with a comprehensive knowledge of the wide scope of the finance discipline and microfinance.
- ii. Enhance students understanding of the core of finance in shaping financial potential of corporations
- iii. Provide students with an avenue for a career in finance and microfinance industry.
- iv. Enable the students understand the development and operations of the financial sector in Uganda and world
